MEMO TO ALL CLUBS & AFFILIATES

MEMO: 02-14

11 FEBRUARY 2014

RE: 2014 REGISTRATION CUT-OFF DATES

Please be advised that the cut-off dates for team registrations will be as follows:

Mandron Masonry Phelan Shield Competition commences: **Friday 14th March at 4.00pm** – Team Registration Cut-off
Saturday 22nd March.

Appliance Shed Fox Memorial (Premiers/Premier 1st) **Friday 21st March at 4.00pm** - Team Registration Cut-off

SAS Sharman Cup (Premiers/Premier 1st) **Friday 21st March at 4.00pm** - Team Registration Cut-off

All Other Grades: (Mini/Mods/Juniors/Seniors/Ladies) **Friday 21st March at 4.00pm** - Team Registration Cut-off

Masters (check start date on Masters site) **Friday 12 April at 4.00pm**

Appliance Shed Fox, SAS Sharman Cup and all other grades commence: **Saturday 5th April**

To be eligible for the first round draw we can only accept a full registration form for that particular grade/team correctly signed and filled out by all players from Under 10 up to Premiers and including Women and Masters. Mini grades only require parent signature. All teams/grades must be registered correctly before being entered into the competition.

E.g. U6/7/8/9 teams must have no less than 8 fully registered players
U10/11 teams must have no less than 11 fully registered players

All other grades must have 13 eligible players to register an official team and each must have filled in all details and signed the forms. (Clubs can request pre-printed forms or print those off LeagueNet themselves to assist in your registrations). The Clubs designated registrar can register players directly on to LeagueNet once they have signed the pre-printed forms or Individual forms. These players can then be added to a team registration for their elected/eligible grade. Any combined teams must have a letter attached from both clubs with the 50/50 share of players under each clubs name.

All forms can be downloaded from our website on www.aucklandleague.co.nz/general-info/

REMINDER:

Also a reminder about the restricted grades for 2014 Season and of course if enough interest a girls grade for Under 17's.
