Up for discussion:

- > Identify and protect Grey Lynn Village's special character; the villas, streetscapes and local shops, and the values of the people who live and work in the community
- > Encourage economic vitality
- > Development that promotes sustainable principles and healthy, connected communities
- > Urban design plans that positively contribute to our environment and community

Viewpoints gathered at these pop up shops will contribute to Grey Lynn Business Association's submission to Auckland Council's Unitary Plan.
