- We had to go all the way to a full council hearing!!
 - Drinks bought from the bar being taken outside the club
 - Noise from the club after 7pm
 - Drinking in the carparks and noise to after midnight.
 - Bottles left lying around
 - Neighbours afraid for their safety.

OVER 200 NEIGHBOURS SUPPORTED US and have asked us to do what we can to improve things and to welcome them in!

What is Hulanesian Fitness?

Hulanesian Fitness is a fun, empowering cardio workout based on the traditional Polynesian dance of Hula. Hulanesian Fitness was born in 2011 by Jane Archer, a born and raised Cook Islander, who wanted to create an authentic Hula Workout with a twist.

Hulanesian Fitness has been running on the Gold Coast, Australia for almost 2 years. Hulanesian has been taken back to Rarotonga and been embraced by the people there.

Now it is your turn New Zealand! Jane and her team will be in Auckland promoting this great program. Come along and experience a piece of Polynesian Culture whilst getting a great, low impact, cardio workout.
